

Mirakl Marketplace Connector for SAP Hybris

Easily connect Mirakl & SAP Hybris with our connector and launch your online Marketplace to drive profitable growth

Why launch a Mirakl Marketplace with SAP Hybris?

By 2018, more than 50% of eCommerce growth will be driven by Marketplace growth.

The Marketplace business model is 2-3X more profitable than the traditional retail model, and is largely responsible for the massive profitable growth Amazon.com has seen in the past two years.

Launching a Marketplace is a unique opportunity for Retailers & B2B organizations to rapidly expand their product assortment by directly connecting third party sellers with customers. It's a low-risk way to expand your offer, without needing to buy, store, and ship products.

Organizations who've already invested in their eCommerce presence with SAP Hybris can now easily expand their product portfolio and drive profitable growth with a Mirakl Marketplace.

Easily and quickly install & configure Mirakl inside SAP Hybris. Certified for Hybris Commerce Platform version 6.0.x, 6.1.x or 6.2.x. Backwards compatibility for Hybris Commerce Platform version 5.x is available.

About the Mirakl + SAP Hybris Connector

Our pre-built connector to SAP Hybris makes it easy to get started in just minutes, rapidly onboard new sellers, and map new products and categories. Mirakl is embedded directly into your existing SAP Hybris user experience. We've made it as easy as possible to activate our connector, decreasing your Marketplace time-to-market.

Our SAP Hybris connector is:

- **Efficient.** It is short and straightforward to install and configure the Mirakl connector package.
- **Flexible.** We provide full access to all Mirakl Marketplace Platform modules, and customers can select what they need.
- **Performant.** Our Platform will scale to meet changing demands of your Marketplace to maximize your performance.

Mirakl + SAP Hybris Connector Features

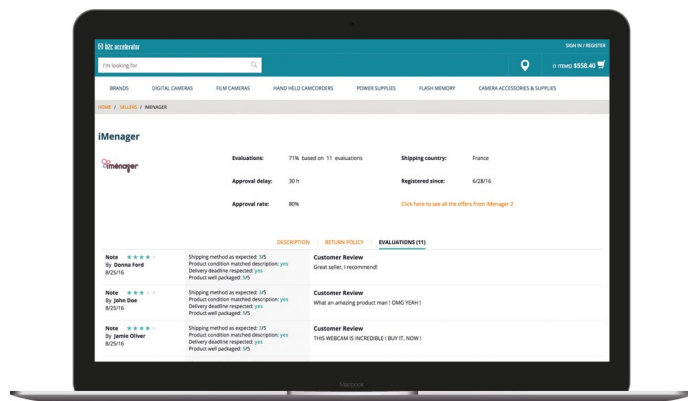

- Efficient and fast installation
- Automated product and category mapping
- Fast synchronization of offers and sellers
- Simple messaging portal for communication between sellers and customers
- Clear order workflow and customer account access:
 - Seller rating
 - Order history

Joint Benefits of SAP Hybris + Mirakl

SAP Hybris and Mirakl have a shared goal: Maximize your online revenue, profitably. SAP Hybris facilitates omnichannel success, integrating physical and digital shopping experiences with your core owned products. Mirakl focuses on increasing the contribution of the digital channel by enabling companies to deploy the marketplace business model to increase product assortment, increase online traffic, and drive profitable growth.

Our joint customers experience:

- Drastically increased digital product range
- Increased site traffic
- Increased new customer acquisition
- Increased customer retention & loyalty
- Increased revenue and profit
- More transactional data for analysis to further improve offers

Mirakl is embedded into your SAP Hybris experience

Mirakl and SAP Hybris share these customers and more!
