

- Powerful, compact, **1250** effective lumen work light used in Marine applications, Service vehicles, Forklifts, and Off-road applications.
- The VX Series light is a perfect LED replacement fixture for applications where reducing glare is important within the field of operation. VX517 offers a perfect circular pattern, making it easy for the operator to fix the illumination pattern specific to where it is needed.
- Its low copper aluminum housing, quartz lens and IP67 rating make it an excellent marine option for deck lighting and emergency back up lighting.

Light Source	15W Cree COB X-Lamp				
	LED Options:				
	Cool White	5000K - 8300K CCT			CRI >70
	Neutral White	3700K - 5000K CCT			CRI >75
	Warm White	2600K - 3700K CCR			CRI >80
	50,000 hours average life time				
Construction	Low Copper Aluminum Alloy with UV stable powdercoat				
Mounting Bracket	Stainless Steel with M10 bolt and nylock fasteners				
LED Driver	12/24V state of the art driver				
	Parameter	Min	Typical	Max	Unit
	Voltage	9	12/24	32	V
	Power		15		W
	Mean Lumens		1,250		lm
Protection	<ul style="list-style-type: none"> • Electronic Thermal Management • Reverse Voltage Protection • Under-voltage shutdown • Transient voltage suppression • EMI filtration 				
Optics	Convex - Quartz Glass Lens - 45° beam pattern				
Power Connector	2 Conductor, 12" lead with stranded wire				
Ambient Operating Temperature	-40°C to +70°C				
IES File	Call PTLX Global at 1-800-397-7859				
Weight	5.5"x 3"x 3.5" - <2lbs				
Ordering Information	VX517 / VX517M (55lb neodymium magnet with 10V auxiliary charger)
