

RELEASE NOTE

Spotlight 3.18
1 September 2016

The latest update to Spotlight includes the following 'headline' enhancements:

🕒 New industry specific templates

Three new industry templates have been added to Spotlight Reporting and Multi:

- Dairy (agriculture) - report on average milk yields, interest cover, debt levels and more.
- Livestock (agriculture) - report on stock levels, average returns, debt levels and more.
- Hospitality - report on average transaction value, revenue per seated hour, customer satisfaction, staff turnover and more.

🕒 Updates to Balance Sheet Layout

- New UK Balance Sheet layout - option to display assets and liabilities in a more commonly used format in UK and other territories.
- Equity detail - additional reporting options for equity accounts.

🕒 Redesigned Pages

- Organisation and Practice Settings - re-freshed design.
