Join us in making PenArt a hub for the exploration in the visual arts by becoming a PenArt member. At any level you will be supporting extraordinary opportunities for learning and art making. While tuition and fees cover a portion of our operating expenses, it is your annual membership that enables us to offer FREE family-friendly community outreach programs, special events like the Door County Plein Air Festival, and FREE exhibitions in our Guenzel Gallery.

YOUR MEMBERSHIP MATTERS....

TO CHILDREN

Children who have an education rich in the arts have higher GPAs and standardized test scores, lower drop-out rates, and a greater willingness for community service.

TO ADULTS

Older adults, (regardless of their ability) who are involved in challenging participatory arts programs, see positive effects on their physical health, mental health, and social functioning.

TO THE COMMUNITY

Strong arts and cultural organizations improve a community's competitive edge, create and define a sense of place, attract new residents and visitors, and contribute to the overall quality of life.
