## Why VNA of Ohio Hospice?

When an individual is diagnosed with a life-limiting illness, it is our role to provide comfort and support that will enhance the quality of one's life. We understand this is a difficult time and our compassionate caregivers are dedicated to meeting each patient and family's individual needs.

Supporting our patients through a holistic approach, VNA of Ohio Hospice is dedicated to providing every individual with the dignity and respect they deserve, and in the comfort of wherever they call home.

## What Makes Us Different?

As the experts in providing end-of-life care, the VNA of Ohio Hospice program goes beyond traditional services to maximize an individual's comfort. Adjunct services include massage therapy provided by a Lymphedema therapist, art and music therapy to offer a moment of relaxation, and respite support to offer caregivers relief.

Led by our full-time VNA of Ohio medical director, the hospice team of professionals includes hospice-certified nurses, social workers, home care aides, spiritual care counselors, bereavement counselors, therapists, and volunteers.

Our compassionate staff is dedicated to developing a one-on-one relationship with every patient and family. aides, staff is equipped with the skills and experience to support the needs of every client and family.
