

# Rehabilitation Services

Helping you on the road to recovery.

## Why VNA of Ohio Rehabilitation Services?

VNA of Ohio rehabilitation therapists empower patients to regain their strength and independence through the development of a unique plan of care. The goal is for each patient to achieve maximum potential in the home through education and therapeutic intervention.

VNA of Ohio's comprehensive therapy services and programs are designed to educate and promote rehabilitation interventions and ultimately restore one's independence.

## What Makes Us Different?

Caring for individuals with a wide variety of medical conditions, VNA of Ohio's comprehensive service line is designed to help individuals maximize their independence. Staff members include physical therapists, occupational therapists, speech-language pathologists, physical therapist assistants, and occupational therapy assistants.

*"The organization came to my father's aide. From the home health aides to the speech and physical therapists, they provided him with compassionate care he and our family needed."*
