## POLYHEDRA CAMP

June 13 - June 17/August 15 - 19 • 9am-11:30am  
(Two separate camp weeks covering the same material each time)  
\$175 • Rising 6th to 8th graders  
Dale Siegenthaler

Students will learn the art and science of geometric shapes and their mathematical significance in fun and creative ways. This camp includes an all-day field trip on Thursday 6/16 (first camp week) and Thursday, 8/18 (second camp week) to the National Museum of Mathematics in New York City.

## GEOCACHING CAMP

June 13, 15, 17 (MWF only) • 12pm-4pm  
\$125 • Rising 6th to 8th graders  
Dale Siegenthaler

Find and discover the world of geocaching by searching around the greater Lancaster area with stops at locations including Chickies Rock, Middle Creek Wildlife Management Area, and Governor Dick Park in Mount Gretna. Cost includes cost of transportation and hiking snacks.

## SING. SAY. DANCE. & PLAY!

June 27-July 1 • 12pm - 1:30pm  
\$100 • Rising 2nd-4th graders  
Heidi Shannon (shannonheidi@gmail.com)  
and Johanna Greiner  
Location: Lancaster Bible College (KOB 101)

Students will create and learn elemental parts of music through the creative process of play! This camp will involve movement, games, chanting, singing, percussion instruments and recorders. The camp will conclude with a sharing session for parents and friends to enjoy this creative music making process! A light snack and drink will be provided each afternoon.

## SINGING CAMP

June 27-July 1 • 9-11am  
\$100 • 8th - 12th grade students  
Heidi Shannon (shannonheidi@gmail.com)  
and Johanna Greiner  
Location: Lancaster Bible College

Fundamentals of Singing! This week long camp will include one-on-one vocal instruction, introduction to the Italian Art Song and the International Phonetic Alphabet (IPA), musicianship skills, and group singing. Come explore and learn the essential elements of classical singing! The camp will be co-taught by Mrs. Shannon and Miss Greiner.

## SPORTS CAMP

July 25-29 • 9am-12pm  
\$75 • Rising 1st-3rd grades  
Mr. Dennis (gdennis@veritasacademy.com)

Come out for a survey of sports. Each day will cover the rules, the strategies, and the techniques of your favorite sports. There will be lots of time to play as well! This camp is for all ability levels and interests.

## Arts & Crafts Camp

August 1-5 • 9am-12pm  
\$100 • Rising 1st-3rd grades  
Mrs. Amanda Crooks (acrooks@veritasacademy.com)

Come experience fun themes each day of the week through arts and crafts. Games and stories will also highlight the themes, which will include spies, underwater worlds, and more!

## COOKING CAMP

August 1-5 • 9am-12pm  
\$100 • Rising 2nd-5th graders  
Miss Katie Walker (kwalker@veritasacademy.com)

Have you ever wanted to surprise your parents with breakfast, but had no idea what to cook? Are you terrified of using knives? Do you know how to wash a bowl or set a table or bake a cookie?! During Cooking Camp, students will learn how to cook a breakfast, lunch, dinner, and dessert, as well as follow and copy down recipes, use good kitchen safety, set a table, serve a meal, and clean up after themselves. At the end of each day, students will get to enjoy the food they cooked that day! They will also do fun crafts and receive kitchen items to bring home. On Friday, the camp will conclude with a special activity (either preparing and serving a meal for parents, or participating in a cooking competition!)

## ART HISTORY CAMP

August 8-12 • 9am-12pm  
\$100 • Current 4th-6th graders  
Chris Hash (chash@veritasacademy.com)

Who was the first artist? How was paint made? What does this picture mean? Explore art through the ages in a week-long camp which will include art projects using a variety of materials. We will learn about art from the earliest cave paintings through the contemporary art of today. Included in the week's activities will be daily projects, games, artist-related snacks, and a last day exhibit of work. We'll even learn an art history song from Veritas graphic artist Ned Bustard's newly published *History of Art* curriculum.

## GEOMETRY BOOT CAMP

August 15-19 • TBD  
\$TBD • 8th-12th grade

Full coverage of essential geometry topics to prepare students for Algebra 2, introduce them to geometry questions which they will encounter on standardized tests, and explore the beautiful world of proofs, patterns, and polyhedra. Date may change depending on student needs.

## STAR WARS CAMP

TBD • TBD

We will be taking this summer off from Star Wars camp. We will notify you when the force awakens again!

All camps meet at Veritas Academy except as indicated. Please direct questions about individual camp details to the teachers leading them. Camps will be held only if there is substantial participation. If a camp is cancelled due to low participation, full refunds will be provided to registrants.
