

PRINT-ON-DEMAND IN COLOR

EPSON® C831 COLOR PRINTING SOLUTION

When you need more choices than black & white, more data than a standard label accommodates, and more time to focus on other tasks, the Epson C831 is your solution.

Fast, full color printing, an industrial design for large volume capacity, and the ability to print up to an 8" x 22" label ensures that important data is communicated quickly, effectively and colorfully.

| Features | Benefits |
|---|--|
| Print speeds up to 16.5 pages / minute | Increased throughput |
| Pigment-based ink | Resistant to harsh chemicals & water, smudge-resistant; BS5609 certified |
| Permanent print head | Virtually maintenance free; reduced downtime |
| Efficient ink replacement | Increased productivity |
| Individual color ink cartridges | Budget dollars spent wisely; no waste |
| Precision label-feeding technology | Reduction in jams = no interrupted workflows |
| Optimal performance with Computype label material | Improved economies from single sourcing |

YOUR NEEDS. OUR EXPERTISE.

Come to us with your on-demand printing needs and we will create a solution that not only meets your needs, but exceeds them by providing you the right printer & label material for the job.

LOOK TO US FOR ALL YOUR CRITICAL LABELING SOLUTIONS.

We work closely with you to provide the right labels to meet all your requirements. And not just the right labels, but everything for your labeling needs. From labels to printers, and scanners to label replication systems, Computype offers this and everything in between.

WE'D LOVE TO HEAR FROM YOU.
