

PRINT ACCURATELY ... APPLY PRECISELY ... REPEAT

LC100i PRINT AND APPLY SYSTEM

The LC100i is a highly advanced print-and-place system designed for challenging label requirements. High resolution (600 dpi) print quality is combined with a unique patent-pending retracting peel plate for precise label/part placement.

The LC100i is ideal for:

- › Small labels
- › Accurately placing single- or double-sided die-cut parts in a range of sizes and irregular shapes
- › Tight placement requirements, including applications in:
 - Manufacturing
 - Medical device
 - Pharmaceutical
 - Automotive
 - Electronics

Features:

- › High print quality: 600 dpi
- › Thermal transfer printing system
- › Accurate placement ± 0.35 mm (± 0.015 ")
- › Nautilus Systems peel technology
- › Label sizes from 4 x 4mm to 100 x 100mm

PLACE YOUR LABEL WHERE YOU WANT IT.

Come to us with your print and place requirements. We provide automation and labels customized to meet your exact needs.

LOOK TO US FOR ALL YOUR LABELING SOLUTIONS.

We work closely with you to provide the right labels to meet all your requirements. And not just the right labels, but everything for your labeling needs. From labels to printers, and scanners to ribbons, cleaning kits and label designs, Computype offers this and everything in between.

WE'D LOVE TO HEAR FROM YOU.
