

CONSTRUCTION

BUILDING PROJECT PROFITABILITY

Construction contractors require significant management oversight to monitor project profitability. We provide tools, procedures, and technical guidance for proactive job costing, and have extensive experience presenting financial statements, projections, and detailed analysis to banks and bonding companies.

CRR can provide the financial resources essential to the successful operation of your construction company, including:

- Accounting + Attest
- Income Tax Provision
- New Market Tax Credits
- CFO Level Consulting
- Multi State Taxation
- Regulatory Compliance

CRR is a full service accounting and consulting firm serving Boston and New England since 1994. We provide accounting, auditing, tax, and business consulting services to organizations in a diverse range of industries. We also provide tax and financial consulting services to individuals, estates, and trusts.
