

SCREEDEMON™

# VIBRATORY WET SCREED

Clamp system makes assembly and disassembly fast and easy. No hardware!

Lightweight, extra rigid, double triangular magnesium bar construction minimizes variability in vibration.

Sealed exciter requires no maintenance

Hand/arm vibration is 70 to 90% less than the competition, without compromising control of the unit.

### Benefits of a Power Scream

- Faster placement of concrete
- Flatter floors
- Stronger slab due to better consolidation of material
- Superior floor finish
- Easy on back
- Less labor intensive
