**TITLE OF POSITION:** Athletic Performance Coach, Men's Basketball

**LOCATION OF POSITION:** Indianapolis, Indiana

**DATE POSITION ANNOUNCED:** August 20, 2015

**SUMMARY OF POSITION:** NIFS has an immediate opening for an Athletic Performance Coach with primary responsibilities to a Division I Men's Basketball program. This position is responsible for implementing a successful year-round athletic performance program for the NCAA Division I, Indiana University – Purdue University Indianapolis (IUPUI) men's basketball program and other teams as assigned. This is a full-time salary position with benefits. Evening, weekend and holiday hours to be expected.

**REQUIREMENTS:**

- Bachelors or Masters Degree in exercise science, kinesiology, athletic training or related field from an accredited college or university.
- Strength and conditioning experience at the collegiate level or above is preferred.
- The following certifications are preferred: NSCA Certified Strength and Conditioning Specialist (CSCS), CSCCa Strength & Conditioning Coach Certified (SCCC), USAW Sports Performance Certification.
- Strong organizational and communication skills and working knowledge of basic spreadsheet and word processing programs.

**RESPONSIBILITIES:**

- Design and organize strength, power, speed, agility and flexibility programs for assigned sports.
- Work with head coaches to plan and facilitate conditioning needs on a daily basis.
- Assist the Sports Medicine staff in rehabilitation and injury prevention as needed.
- Develop and maintain effective working relationships with NIFS Athletic Performance Staff and IUPUI Athletic Department personnel.
- Maintain an understanding of and assure adherence to regulations, policies and procedures as identified by the IUPUI Athletic Department, the NCAA and NIFS.
