

Entrust Your Career to HealthTrust

*Exceptional people.
Exceptional care.*

We believe healthcare isn't defined by the four walls in which it's practiced. It's defined by people – those who need care and those who deliver it.

While putting great people in the right roles is essential, our mission is far greater. We want our clinicians to be part of the HealthTrust family, where healthcare professionals have a voice and are empowered with the right tools and opportunities to fulfill their personal mission of improving lives.

Plus, as a preferred partner to thousands of top-performing hospitals, we provide our healthcare professionals with first-priority access to more than 200,000 jobs nationwide. Learn why tens of thousands of clinicians entrust their careers to HealthTrust.

Your Healthcare Employer for Life

Whether you want the flexibility of per diem, the adventure of travel or a new opportunity in leadership, we are by your side every step of the way. Wherever you are in your career—from needing hands-on training to jump-start your career, to building your resume through quality work experience, to gaining career flexibility for better work-life balance — HealthTrust is uniquely qualified to be your healthcare employer for life.

Which is why we help tens of thousands of clinicians each year do what they do best — provide care to their patients.
