**SUPPLEMENTARY REPORT TO THE
TENTH REPORT OF THE RECEIVER**

MAY 21, 2015

A. Farber & Partners Inc., in its capacity as the Court appointed Receiver (the “**Receiver**”) of Crate Marine Sales Limited (“**CMS**”), F.S. Crate & Sons Limited, 1330732 Ontario Limited, 1328559 Ontario Limited 1282648 Ontario Limited 1382415 Ontario Ltd., and 1382416 Ontario Ltd. (collectively the “**Companies**”), hereby reports to the Court as follows:

PURPOSE OF THIS REPORT

1. All capitalized terms have the meaning given to them in the Tenth Report of the Receiver dated May 15, 2015 (the “**Tenth Report**”).
2. This report (the “**Supplementary Report**”) is to supplement the Tenth Report and provide an update on the Receiver’s administration of claims since the date of the Tenth Report (May 15, 2015) and a summary of the proposed auction services agreement with Hilco Asset Sales Canada (“**Hilco**”) for the liquidation by auction of unclaimed property at

the Keswick, Willow Beach and Lagoon City marinas formerly operated by the Companies.

3. Attached as **Appendix “A”** is a revised form of the draft Order sought by the Receiver, along with a blackline showing the changes as compared to the draft Order attached as Schedule “A” to the Receiver’s Notice of Motion in the Motion Record.

LIMITATION OF REVIEW

4. A. Farber & Partners Inc. in its capacity as Receiver has relied upon the financial records and information provided by the Companies, as well as other information supplied by management, appraisers, accountants, auditors and advisors, and has not, except as specifically noted in this Supplementary Report, audited, reviewed or otherwise attempted to verify the accuracy or completeness of the above information in a manner that would wholly or partially comply with Generally Accepted Assurance Standards pursuant to the Canadian Institute of Chartered Accountants Handbook. It has prepared this Supplementary Report for the sole use of the Court and of the other stakeholders in these proceedings.

A) UPDATE ON THE RECEIVER’S ADMINISTRATION OF CLAIMS SINCE THE TENTH REPORT

5. Following service on May 15, 2015 on the service list of the Receiver’s Motion Record for the motion returnable May 22, 2015, the Receiver also served the motion record on each of the claimants whose claims are contested as set out in Appendix “K” to the Tenth Report, and their known counsel. The Receiver wanted to ensure that claimants whose claims are contested would be aware of the Receiver’s proposed method of resolving those claims, which was outlined in the Tenth Report, Notice of Motion and attached draft Order included in the Motion Record.

6. The Receiver has reviewed the claims received between May 15, 2015 (the date of the Tenth Report), up to and including May 21, 2015 and reports to the Court on its administration of these claims in the remainder of this section.

7. As noted in the Tenth Report, limited funds remain to cover the cost of the Receiver's continued administration of claims. It would be impractical and unaffordable for the Receiver to continue to administer claims for an indeterminate amount of time. In accordance with the discretion granted to it in the Claims Order, the Receiver requests that the Court bar any and all further claims after May 22, 2015 and to grant other relief as set out in the Motion Record (dealing with the release of approved claims, adjudication of disputes and liquidation of unclaimed items) which will have the effect of ending the administration of claims.

8. The Receiver's Tenth Report outlines how the Receiver proposes to deal with the approved, disallowed and contested Item Claims. This proposal is in summary as follows:

- a) the release of the assets corresponding to approved Item Claims at the Keswick, Willow Beach and Lagoon City locations will be taken over by KKI and Pride Marine on the terms set out in the protocol attached to the draft Order, and the purchaser of the Quebec assets has agreed to release assets corresponding to approved Item Claims in accordance with the Receiver's protocol;
- b) the contested Item Claims and disputed disallowances be referred to a master of the Court sitting in Toronto as the Property Claims Officer within the meaning of the PCPO; and
- c) unclaimed property be liquidated (the details of which are now set out in Hilco's auction proposal, as further discussed in section B below).

Approved Claims

9. On the date of writing the Tenth Report, the Receiver had approved 841 Item Claims. As of May 21, 2015 there are now 905 approved Item Claims. Attached as **Appendix "B"** is a list of the approved Item Claims with redactions for personal identifying information of the claimants. The same list without redactions is provided as **Confidential Appendix "A"**.

10. In addition to the boats corresponding to the 905 approved Item Claims, a total of 22 boats for which no claims were filed were released without authority from the Receiver by Greg Staples, a former employee of the Companies who formerly worked out of the Keswick and Willow Beach marinas (and was retained by the Receiver and is now employed by Krates Keswick Inc. ("**KKI**"), the new operator of those locations). Of these 22 boats, 12 were at Keswick and 16 were at Willow Beach. Although no claims were filed for these boats, Mr.

Staples advises that he was familiar with the owners of the boats in question during his lengthy previous employment with the Companies and is confident that they were released to their rightful owners. The Receiver has since sought, reviewed, and approved claims for all such boats.

Disallowed Claims

11. As of May 21, 2015 the Receiver has disallowed 82 Item Claims. Attached as **Appendix “C”** is a list of the disallowed Item Claims that shows the date of the disallowance but with redactions for personal identifying information of the claimants. The same list without redactions is provided as **Confidential Appendix “B”**.

12. In accordance with the PCPO, where a claim has been disallowed and no Notice of Dispute is sent to the Receiver within 14 days, then the disallowance is final. All claims for which disallowances were sent more than 14 days before May 21, 2015 as set out in Appendix “C” are therefore conclusively determined and barred under the PCPO.

13. For the claims that were disallowed less than 14 days ago in Appendix “C”, but are not the subject of a Notice of Dispute, the same result will apply. The Receiver proposes to deal with such claims that are disputed in the manner set out in the Tenth Report in respect of contested claims.

Contested Claims

14. In the Tenth Report, the Receiver identified 24 contested Item Claims in Appendix “K”, which resulted in 14 disputes to be adjudicated. That list omitted the property claim of 2122915 Ontario Inc. (“**212**”), which is the landlord of the Lagoon City marina, through inadvertence but that claim was discussed at length in the Receiver’s Ninth Report.

15. Other than the addition of the claim of 212 to the list of contested claims, there has been no other change since the Tenth Report.

16. As discussed in the Tenth Report, the contested Item Claims fall into three categories:

- a) instances involving two (or more) Item Claims filed for the same boat or

other asset by third parties;

- b) instances where an asset may properly belong to the Companies, but for which an Item Claim has been filed by a third party; and
- c) instances where a third party has claimed an item that is not in the Receiver's possession.

17. Attached as **Appendix "D"** is a list of the contested Item Claims with redactions for personal identifying information of the claimants. The same list without redactions is provided as **Confidential Appendix "C"**. These appendices set out the gist of the dispute within the categories set out in paragraph 16, above.

18. The Tenth Report outlines the Receiver's proposal for how these contested Item claims should be dealt with, namely that all claims other than as described in paragraph 16(c), above, be dealt with by a Master appointed as the claims officer pursuant to the PCPO. Claims between third parties (as in paragraph 16(a), above, would involve those parties as the litigants in that process. Claims between a third party and the estate of the Companies (as in paragraph 16(b), above, would involve such third party and KKI (as the party with the economic interest in assets that might belong to the Companies as a result of the agreement of purchase and sale) in that process.

19. The Receiver proposes that the claims described in paragraph 16(c), above, be summarily dismissed on the basis that the property in question was not in the possession of the Receiver as of the date of its appointment within the meaning of the PCPO, and that such claims are therefore outside the scope of that Order.

Unclaimed Property

Boats

20. As of May 21, 2015 there are 104 unclaimed boats, of which 16 are at the Keswick location, 21 are at the Willow Beach location, 57 are at the Lagoon City location, and 10 are at the Quebec location. Some of those boats appear to have been abandoned, based on the fact that the records of the Companies show no recent contact information or activity with the boats for a period of several years and based on the advice of former employees of the

Companies. In most instances the boat in question has an outstanding account receivable. Others of the unclaimed boats have contact information on the records of the Companies, which has been used for the attempts to contact any potential owner as described more fully in the Tenth Report, but for which no claim has been filed nonetheless.

21. Of the 104 unclaimed boats, there are 53 boats that the Receiver believes are abandoned, as follows: 8 in Keswick, 4 in Willow Beach and 41 in Lagoon City.

22. There are 51 otherwise unclaimed boats, as follows: 8 in Keswick, 17 in Willow Beach 16 in Lagoon City and 10 in Quebec.

23. A list of the unclaimed boats is attached as **Appendix “E”**.

Trailers

24. In addition to the unclaimed and abandoned boats, there are a total of 23 unclaimed trailers remaining at the various premises - 22 in Keswick and 1 in Lagoon City. As discussed in the Receiver’s Seventh Report, an extensive review of the ownership status or location of trailers and items such as dinghies, barbeques or picnic tables on the premises formerly operated by the Companies was not practical. This was because the value of the items in question was modest, such that the cost of review by the Receiver’s representatives would have been disproportionate to their value, and any possible recovery from items like this that were not claimed (and thus could be sold for the benefit of creditors) would not have offset the costs of review.

25. Paragraph 5 of the Claims Order permitted the Receiver not to review or in any way administer claims to such items (listed as Appendix “K” to the Seventh Report).

26. The assumption of the Receiver regarding trailers, as noted in the Seventh Report, was that where a trailer was under a boat, it may well be owned by the same person that owned the boat.

27. When approaching the liquidation of unclaimed property, the Receiver therefore proposes that where a trailer is found underneath a boat that has been categorized as abandoned or unclaimed, the Receiver should be permitted to liquidate the trailer together

with the boat, in accordance with Hilco's auction proposal set out in section B of this Supplementary Report.

28. As discussed in more detail below, the Receiver recommends that any unclaimed trailers (as well as boats and other property) which are unsold following Hilco's contemplated auction should be vested in KKI (where the property is located in Keswick or Willow Beach) or Pride Marine (where the property is located in Lagoon City). Trailers not specifically liquidated as being under boats would therefore vest in KKI and Pride Marine, respectively.

B) SUMMARY OF HILCO'S LIQUIDATION PROPOSAL FOR UNCLAIMED PROPERTY

29. In the Tenth Report the Receiver recommended liquidation of unclaimed property at each of the Keswick, Willow Beach and Lagoon City marinas formerly operated by the Companies. Since the date of the Tenth Report, the Receiver has solicited and negotiated, subject to Court approval, an auction services agreement dated May 21, 2015 (the "**Auction Services Agreement**") with Hilco for this purpose, the form of which is attached as **Appendix "F"**.

30. Hilco agents attended at the Keswick, Willow Beach and Lagoon City marinas during the weekend of May 16-18, 2015 to conduct on-site viewings of the unclaimed property located thereon, including boats, trailers and related marine products.

31. Based on the viewing of the unclaimed property, as well as the Companies' inventory list, Hilco drafted a liquidation proposal, which led to the negotiation of the Auction Services Agreement.

32. The key terms of the Auction Services Agreement are the following:

- a) Hilco will act as agent of the Receiver and will conduct a live and on-line auction of unclaimed property at the Keswick, Willow Beach and Lagoon City marinas on June 27th, 2015;
- b) Hilco requires access to the locations at Keswick, Willow Beach and Lagoon City until July 31, 2015 and Hilco will provide a site supervisor as well as other personnel to co-ordinate and oversee this process;

- c) Hilco will be entitled to an expense budget for marketing, set-up, check-out and related auction expenses in the amount of \$50,000.00;
- d) Hilco will pay up to \$8,500 for the removal and disposal of plastic shrink wrap, and garbage and debris on site;
- e) the amounts in (c) and (d) will be paid first from the sale proceeds of the unclaimed property;
- f) in addition to the sale price, Hilco will charge a buyer's premium on the sale of the unclaimed property, at a rate of 15% if the buyer is on site and 18% if the buyer is on the web, to be paid by the buyer directly to Hilco; and
- g) after the payment of the amounts in (c) and (d), all sale proceeds are to be divided 80 % to the Receiver and 20% to Hilco.

33. The Receiver recommends that all unclaimed property that remains unsold after July 31, 2015 should vest in the occupants of the respective properties (KKI in the case of Keswick and Willow Beach, and Pride Marine in the case of Lagoon City). Any proceeds recovered by those occupants from the unclaimed property could be used to offset against any costs incurred by the occupants in connection with those items. As set out in the Tenth Report, any other options regarding unsold and unclaimed property are not feasible in the opinion of the Receiver.

All of which is respectfully submitted this 21st day of May, 2015.

Attention: Mr. John Hendriks

Dear Mr. Hendriks,

RE: PUBLIC AUCTION / UNCLAIMED ASSETS OF CRATE MARINE SALES LIMITED ET AL.

1. **Appointment of Agent:** Hilco Asset Sales Canada shall act as Agent and Auctioneer, (the “**Agent**”) for A. Farber & Partners Inc. (“**Farber**”) in its capacity as Court Appointed Receiver of Crate Marine Sales Limited and affiliated companies (“**Crates**”) to offer the unclaimed property of Crates as listed in Appendix ■ of Farber’s Supplement to its Tenth Report dated May ■, 2015 (collectively, the “**Assets**”) for sale by Live and On-Line Auction. The Assets are or will be located at the Keswick, Willow Beach and Lagoon City, Ontario marinas formerly operated by Crates (collectively, the “**Locations**”). Such sale is to be completed on site at the Locations by Live and On-Line Public Auction Sale (the “**Auction Sale**”).
2. **Understanding:** The Agent has satisfied itself with respect to the existence and condition of the Assets as of May 21, 2015 and accepts same on an “as is, where is” basis without representation or warranties, express or implied, by Farber as to any matter whatsoever, including without limitation description, fitness for purpose, condition or title.
3. **Agent’s Remuneration:**
 - a) all the auction proceeds, after deduction of the Expenses and Costs (as defined below), shall be shared as follows; 80% to Farber and 20% to the Agent.

Notwithstanding the foregoing, the Agent shall be entitled to charge and retain a 15% on site and 18% On-line Buyer’s Premium on the sale of all the Assets, such Premium to be paid by the buyers and not Farber.

4. **Expenses:** Agent will be entitled to an expense budget for the marketing, set-up, check-out and related auction expenses (excluding the final clean-up, waste removal and other Costs referred to in section 15) of \$50,000 (the “**Expenses**”), which will be taken first from the gross auction proceeds.

5. **Auction Date:** The auction will be held during the weekend of June 27, 2015 or earlier at the discretion of the Agent. Subject to the issuance of the Order referred to in section 20, the Agent will have access to the various Locations from appointment until July 31, 2015, subject to any extension of time that may be granted in a subsequent Order by reason of any force majeure or uncontrollable weather factors which may be required.
6. **Inspection of Assets:** Agent will catalogue all the assets to be sold in preparation of the Auction Sale and make available an inspection period for potential buyers to view and inspect the Assets for sale one day prior to the Auction Sale. Arrangements will be made for those who wish to inspect prior to the set inspection date, by “*appointment*” only.
7. **Marketing of Assets:** Agent will promote and advertise this event to be a Public live and On-Line Auction Sale on an “*As Is - Where Is Basis Including Unclaimed Boats - Crates Marine*”. The event marketing and advertising shall include a virtual on-line brochure, trade journal advertisements (where possible), newspaper advertisements as well as being posted on our website, all as approved by Farber. The marketing advertisement shall include the language “**Public On-Site & Webcast Auction Sale – Crates Marine Unclaimed Boat Storage Auction Event**”.
8. **Collection of Proceeds:** Agent will manage the collection of proceeds of sale of the Assets, which each buyer shall be required to pay by cash or certified cheque, and will forward a full and final report of sale detailing each transaction, as well as final payment of amounts to be remitted to Farber hereunder within 30 (thirty) days following the auction date. Agent shall be entitled to deduct its remuneration, Expenses and Costs from the amount payable to Farber, subject to the provisions of sections 3, 4 and 15 hereof. Farber shall be entitled to access the records of the Agent as they relate to this Auction Sale upon request at any time prior to or after the auction, and shall be entitled to audit such records as it deems fit. The Agent agrees that the bank account for administration and payment of the auction proceeds as they are collected will be maintained at a Schedule A Chartered Bank and that such bank account shall be a joint account of Farber and the Agent. The monies in the joint bank account shall be the property of Farber, subject to the Agent’s right to a portion of the proceeds as herein provided.
9. **Use of the Premises:** Agent will require the free use and the unrestricted access to the Locations, for a period of time from the date of its first being granted access to no later than July 31, 2015 for the purpose of conducting the Auction Sale.
10. **Insurance:** Farber shall be responsible for insuring the Assets at the Locations. The Agent shall be responsible for maintaining public liability insurance for the Auction Sale with a recognized Canadian insurance company in an amount satisfactory to Farber and will provide evidence of same satisfactory to Farber when requested by Farber.

11. **Collection and Remittance of Taxes:** Agent will be responsible for charging, collecting and submitting the Harmonized Sales Tax from the sale of Assets to purchasers directly to the respective Governmental Departments. All such taxes shall be excluded from the calculation of Auction proceeds.
12. **Site Supervisor:** Agent will at its expense provide a site supervisor to coordinate and oversee all aspects of the Auction Sale and all other competent personnel required for the Auction Sale and to supervise the removal of sold Assets from the Locations.
13. **Supplement:** Farber acknowledges that the Agent may be adding consignment equipment to enhance the Auction Sale, provided that the Agent shall not be permitted to place or store any of such consignment equipment at any of the Locations. The Agent shall inform Farber of the addition of any items to the auction. The Agent shall insure all of the consignment equipment.
14. **Use of Name:** Agent may use wording approved by Farber for marketing purposes along the lines of “Crates Marine – Unclaimed Storage Boats by Auction”.
15. **Removal of Debris:** Agent shall at the expense of Farber, for a total cost estimated by the Agent to be up to \$8,500 (collectively, the “Costs”), which will be deducted from the sale proceeds, (a) remove and dispose of plastic shrink wrap and garbage/debris on-site, and b) leave the Locations in the same condition as found.
16. **Unsold Assets:** In the event that any of the Assets are unsold, the Agent is not responsible to remove such Assets from the Locations.
17. **Indemnity:** The Agent shall indemnify and save Farber harmless from and against any and all losses, costs, expenses or claims suffered or incurred by Farber as a result of the negligence or willful misconduct of the Agent in the performance of its obligations hereunder or its breach of any of the provisions of this agreement, provided that the Agent’s obligations to Farber pursuant to such indemnity shall be limited to the amount the Agent is entitled to be paid out of the auction proceeds hereunder.
18. **Damage to Locations:** The Agent accepts responsibility for any damage to the Locations caused by any of its actions or omissions in connection with the Auction Sale, the set-up therefor and the removal of sold Assets from the Locations, except pre-existing conditions.
19. **Bills of Sale:** The Agent shall execute and deliver on behalf of Farber to each buyer of an Asset an “as is, where is” bill of sale in form and content approved by Farber.

20. **Condition:** The obligations of Farber and the Agent hereto are subject to and conditional on the issuance prior to May 29, 2015 of an Order by the Ontario Superior Court of Justice (Commercial List), on terms satisfactory to Farber and the Agent, among other things, barring claims against the Assets and approving this agreement and Farber's execution thereof. Such condition shall not be waivable by either Farber or the Agent.
