Court File No.: 05-145/15

27-June-2016

June 27/16 as per counsel slip.
This motion was served as per Penny's order. No one appeared to oppose the ~~app~~ motion; however, all State sent written submissions to Farber on June 20th opposing the motion. Those submissions were not filed w the court & I have not reviewed them as yet. If indeed all State is opposing the motion it shall file the written submissions & send counsel to make oral argument. Mr Caylor has not yet spoken to Mr Van Dusen. I direct that they make contact & that this motion will proceed after they have done so, ~~and~~ on a date to be set by the CL office for 1 hour - before me, if I am available, or another judge; if I am not (given the limited summer schedule).
