WMF CultureCup

It's been a long time since coffee was simply a hot drink that woke you up in the morning. Coffee has developed into a cultural treasure and even the art of the perfect cup has a long history. There is a never-ending variety of coffee specialties out there, but there is only one »CultureCup«: the perfect cup of coffee by WMF Hotel.

The understated yet modern design based on the shape of the WMF Classic »CoffeeCulture« is second to none in terms of combination and presentation.
