

The Worlds Finest
Portable Corrals

DANIELS MFG. CO.

AINSWORTH, NEBR.

Ask your **Summit Livestock Facilities** representative to include Daniels brand equipment in the design specification of the pens, working area and the other related equipment of your monoslope beef barn.

Squeeze Shoot

Gates & Panels

Bud Box Corrals

Stationary Alleyway

Daniels Manufacturing Co. has been manufacturing the world's finest livestock handling equipment including:

All Hydraulic Squeeze Chutes, Scales and EID Readers

Daniels provides stationary feedlot styles, as well as portable squeeze chutes, Gallagher Scales and EID readers.

Alleyways

Both portable and stationary alleyways are available.

Gates and Panels

Daniels gates and panels include CP1 Gates (51 inches high), CP-2 (5-feet high), livestock panels and accessories, complete cow corral units, loading chutes and panel carriers, portable pulling alleyways, continuous fence and livestock feeding equipment.

Bud Box Corrals

As handlers that learn to be proficient in sending cattle through the Bud Box system, they improve in other skill areas including pen removal and pulling single cattle. These systems reduce processing and treatment time and can enhance carcass quality when used to ship cattle
