BRUTE® 44-GALLON UTILITY CONTAINER

WORKER-FRIENDLY:
50% less effort to lift can liners

INNOVATIVE: Can liner cinches, no-puddling lid, comfort grips

ERGONOMIC: Fully round ProTouch™ handles and base grips for comfortable, secure handling

Patent-pending venting channels dramatically reduce the force required to remove a filled can liner—over 50% compared to traditional containers.

Help your employees work safer and more efficiently. Call your Rubbermaid Commercial Products supplier about the new 44-gallon BRUTE® today.
