PRODUCTS THE DETAILS

MEAN *EVERYTHING*.

SINCE 1985, AFP HAS SET

THE WORLD'S STANDARD

FOR EXCELLENCE IN WOOD

CRAFTSMANSHIP. DISCOVER

FOR YOURSELF WHY AFP

VENEERS ARE SECOND

TO NONE.

# Superior Veneering

by Dedicated American

# Craftsman

Architectural Forest Products (AFP) is the premier supplier of veneered products to the architectural woodwork community. We provide custom-manufactured, world-class veneered products for the world's most admired buildings, retail environments, homes and yachts.

Providing extraordinary flexibility to commercial and residential markets, we accommodate unique specifications and aesthetic criteria. All AFP products are made to order with careful attention to detail, using only the finest materials and precise processes.

## Bring Your Design Ideas to Life with AFP

AFP is proud to serve architects, designers, contractors and millworkers. We understand the contract business and its demanding quality standards and schedule requirements. As a result, consistently high quality and lead-time reliability have become our trademarks.

# Craftmanship

That Fuels Your

# Creativity

If you can imagine it, AFP can create it. We manufacture all commercially available domestic and imported veneers, including reconstituted veneers. What's more, we offer any veneer cut and match available, from high-pressure decorative laminates to hardboard and overlays for paint finishes.

## Bringing woodworking excellence to your application.

- **Interior doors.** Beautifully crafted interior doors are machined and factory finished to your specifications (slab or beveled).
- **Paneling and other millwork.** Attention to detail that's second to none reflects our expertise in woodworking and finishing.
- **Furniture, work surfaces, architectural walls and tabletops.** Exceptional industry leading standards ensure world-class veneers.
- **Elevator interiors.** Superior elevator cab veneers provide you with endless customization capabilities.
- **Store fixtures and feature walls.** World-class craftsmanship takes center stage in some of the world's most celebrated retail environments.

## Class-A Fire Rated Veneered Paneling Certification

AFP paneling has been tested by HPVA Laboratories under the ASTM E84 tunnel test guidelines to achieve a Flame Spread Index of Class A with a rating of 25 or less and a Smoke Developed Index of 50 or less.

# Perfecting the Veneer Process

AFP wood veneers deliver superior durability while maintaining the richness and authenticity of genuine wood. Our superior veneer process reflects meticulous expertise in slicing, assembling and matching materials. The result is a dramatic effect on the appearance of our veneers.

But that's just the beginning. Our custom finish capabilities provide custom sizing, staining and finishing of all veneers. What's more, we offer special (sketch) matching with an infinite number of patterns and customization to beautifully and creatively bring ideas to life.
