

An Individualized,
Educational Journey for
Every Student

THE
RED KNIGHT INSTITUTE
HONORS ACADEMY

A High School Honors Program to Begin Your College Career

The Red Knight Institute Honors Academy at Milwaukee Lutheran presents a rigorous curriculum to students wishing to grow academically, spiritually, and as leaders during their high school years. Since 1903, Milwaukee Lutheran has provided thousands of students the opportunity to achieve their academic goals with its outstanding college preparatory program. MLHS is proud to present the next step in education with the Red Knight Institute Honors Academy.

Students will enjoy a curriculum that enables them to dialogue with some of the area's most successful leaders, develop a vast array of analytical thinking skills, achieve strong standardized test scores, and prepare for further success at the collegiate level. The Honors Academy also ensures that students become leaders in their communities by enabling them to serve with a variety of local, national, and global organizations.

Honors Academy Components

Leadership Lecture Series

Influential leaders are invited to address students on a monthly basis. The predominant focus is upon highlighting leaders who make a difference in their local, state, and national communities.

College Tours

Students and their families have the opportunity to take a tour of college campuses throughout various regions of the United States.

Service and Internships

Relationships with an agency are formed over a student's high school career to fulfill service hour requirements and move towards internship opportunities.

Standardized Test Preparation

Additional ACT test-taking services are provided. This includes practice tests and test-taking techniques designed to maximize each student's potential.

Enriched Graduation Requirements

Additional graduation requirements include taking ten or more Honors/Advanced Placement/Dual Credit courses throughout a student's high school career & participating in at least two extra-curricular events each school year.
