

How EasyTech Meets E-Rate Online Safety Requirements

EasyTech Online Safety exceeds E-Rate requirements and covers topics on appropriate online behavior, interacting with others on the web, keeping personal information safe, and cyberbullying awareness/response.

To satisfy E-Rate, students must complete all of the items designated as required in the chart below. Additional topics are not required but reinforce and expand students' knowledge of online safety.

GRADES K-2			
E-RATE TOPIC	CURRICULUM TITLE	TYPE	SUGGESTED
