DATACOR, INC. ANNOUNCES JENNIFER GIBSON AS KEYNOTE SPEAKER AT INTERAXIONS 2014

Florham Park, N.J. – Mar. 2014 – Datacor, Inc., the leading developer and provider of ERP software solutions for chemical distributors and manufacturers announces Jennifer Gibson, *Vice President, Regulatory Affairs of the National Association of Chemical Distributors (NACD)*, as the keynote speaker for our 20th Annual Chempax User Conference – Interaxions 2014: The Formula for Success, to be held from May 14-16, 2014.

Ms. Gibson a graduate of the University of Virginia and the U.S. Chamber of Commerce Institute for Organization Management and a member of the American Society of Association Executives will address attendees during the Conference Kick Off, 8:30 am on May 14th. She will be discussing the regulatory environment in Washington and the impacts this is having on the chemical industry.

“We are thrilled to have Jennifer at our 20th Annual Chempax User Conference,” said Sean O’Donnell, President of Datacor, Inc. “Her expertise and many years of experience in the industry will make a positive impact on our Datacor community.”

Interaxions is a three-day educational and networking conference that strengthens and enhances the partnership between Datacor and its customers. This year’s conference will be hosted at the Wyndham Hamilton Park Hotel & Conference Center in Florham Park, New Jersey, minutes away from Datacor’s headquarters. For more information on Interaxions 2014: The Formula for Success, visit the [Interaxions Website](#).

About Datacor:

Datacor, Inc., is recognized for practical software that enhances operations for more than 600 chemical process manufacturers and distributors. Backed by over 30 years of experience in the chemical and process industries, Datacor creates advanced technology to solve industry challenges, raise productivity and drive profitability. Chempax serves more than 10,000 users world-wide on a daily basis. www.datacor.com

About NACD:

The National Association of Chemical Distributors (NACD), established in 1971, is the premier international association of chemical distributors and their supply-chain partners. Member companies process, formulate, blend, re-package, warehouse, transport, and market these chemical products for over 750,000 customers. NACD members are leaders in health, safety, security, and environmental performance through implementation of Responsible Distribution, a third-party verified management practice established in 1991. www.nacd.com
