Datacor, Inc. Announces 21st Annual Chempax User Conference - Interaxions 2015

Florham Park, NJ – December 2014 – Datacor, Inc., the leading developer and provider of Enterprise Resource Planning (ERP) software solutions for Process Manufacturers and Chemical Distributors, announces its 21st annual user conference, Interaxions 2015: Recharge Your Business, will be held on May 13 – 15, 2015 at the Wyndham Hamilton Park Hotel & Conference Center in Florham Park, NJ.

Interaxions is a three-day event which offers an impressive curriculum to help users gain a better understanding of the power of the technology behind Chempax and eChempax, learn about additional and new product functionalities to leverage immediate and long-term benefits, and influence the future product development. Additionally, users have many opportunities to network with other users and to personally meet with the experts behind the software.

"We're excited to offer many new classes at both the introductory and advanced levels, as well as additional chances to meet one-on-one with the Datacor team," said Sean O'Donnell, President of Datacor, Inc. "Interaxions is more than just a user conference, it is a chance for our users to revisit, re-examine and recharge how Chempax can transform the way their business operates."

Details about Interaxions 2015: Recharge Your Business is available at www.datacor.com/interaxions. Registration will open January 2015 and we encourage users to take advantage of early registration discounts.
