## For Immediate Release

### **Datacor, Inc. Extends Sponsorship with NACD for 2016**

*Datacor Executive Education Sponsorship Now to include Duke Programs and Emerging Leaders*

**Florham Park, NJ** – November 2015 – Datacor, Inc., the leading developer and provider of Enterprise Resource Planning (ERP) and Customer Relationship Management (CRM) for Process Manufacturers and Chemical Distributors, reaffirmed its commitment to the National Association of Chemical Distributors (NACD) by renewing its sponsorship for 2016. Datacor will continue being an NACD Platinum Corporate Sponsor and sponsor of the Duke Executive Education Programs. In addition, Datacor's Executive Education sponsorship will now include the NACD's Emerging Leaders program.

"We are excited to partner with the NACD again this year as it continues to provide top notch training for its membership," said Sean O'Donnell, President of Datacor, Inc. "Being a part of NACD's Executive Leadership training is a natural fit for Datacor. Through our business management software, we strive to help companies solve industry challenges, raise productivity, and drive profitability solutions. We believe the Emerging Leaders program and the programs offered at Duke will better prepare the current and future leaders of the industry for the challenges and solutions of the future." For more information about the Executive Education or Emerging Leaders programs, visit [www.nacd.com/edu/leadership](http://www.nacd.com/edu/leadership).

#### **About Datacor, Inc.:**

Datacor, Inc. is recognized for practical software that enhances operations for more than 700 process manufacturers and chemical distributors. Datacor delivers fully integrated ERP and CRM solutions complete with installation, on-site training and continued support. Backed by over 30 years of experience in the chemical and process industries, Datacor creates advanced technology to solve industry challenges, raise productivity and drive profitability. Chempax serves more than 10,000 users world-wide on a daily basis. More information about Datacor is available at [www.datacor.com](http://www.datacor.com).

#### **About NACD:**

The National Association of Chemical Distributors (NACD), established in 1971, is the premier international association of chemical distributors and their supply-chain partners. Member companies process, formulate, blend, re-package, warehouse, transport, and market these chemical products for over 750,000 customers. NACD members are leaders in health, safety, security, and environmental performance through implementation of Responsible Distribution, a third-party verified management practice established in 1991.
