

Wish List

Wellhaven Senior Living relies on charitable support for a large portion of our budget, including all of our spiritual care. And while much of our health care programming is covered by government-funded benefits, these funding sources provide minimal coverage and are in a constant state of flux. Below are several ways you can help inspire hope and ensure our mission continues as a place where The Care of the Soul is the Soul of Care.

EXIT LANDING

\$6,000

From families stopping by for a visit to new residents moving furniture, our south exit gets lots of use. Help us make it more accessible and attractive with a new concrete landing and ramp.

ENTRYWAY SIDEWALK

\$5,000

Our front entryway will be more inviting with a new sidewalk. Guests will be delighted to stroll in for a visit, and residents will have a warm welcome home.

OFFICE SPACE UPDATE

\$2,500

A welcoming facility is one that looks its best, with pleasant décor and a neat appearance. Updating the paint in our offices will create a positive first impression for guests and instill pride in our residents.

OTOSCOPE/THROAT ILLUMINATOR

\$197

Make health a little more convenient for our residents and team members with the gift of an otoscope (used for ear, nose and throat issues). An otoscope with throat illuminator is small, convenient and easy to use with bright, white halogen light and a built-in throat illuminator.

MEAL DELIVERY CART

\$3,844

There's nothing like the simple pleasure of something good to eat. A meal delivery cart makes mealtimes faster and easier for team members. Help us efficiently deliver fresh, hot meals to residents.

HEATED TRANSPORT CART

\$1,849

There's nothing like the simple pleasure of something good to eat. A meal delivery cart makes mealtimes faster and easier for team members. Help us efficiently deliver fresh, hot meals to residents.

Wish List

WATER/ICE MACHINE

\$5,200

Take one more chore off our team members' list by donating a water and ice machine. Without it, Wellhaven has to rely on team members from The Lutheran Home to transport large buckets of ice twice a day.

IPOD AND SPEAKERS

\$200

Music has power, especially for individuals with dementia. Music can improve mood, decrease anxiety and agitation, encourage engagement and socialization and coordinate movement. It can also bring joy!

PARKING LOT RESURFACING

\$5,000

After many years of faithful service, our parking lot is in need of repair to eliminate unsightly wear and tear. Striping will add designated spaces to park, helping residents be good neighbors.

LAUNDRY ROOM UPDATE

\$3,000

A welcoming facility is one that looks its best, with pleasant décor and a neat appearance. Updating the walls in our laundry rooms will make Wellhaven a nicer home for our residents.

REGRIGERATOR/FREEZER

\$5,113

A tasty chilled dessert is the perfect finish to any meal, and so much easier to deliver with an updated dual-temperature refrigerator/freezer. Without it, dietary team members have to make trips to TLH to get items.

ART TO INSPIRE

\$400

The miracle of Jesus walking on water calls us to remember God can do all things. Inspire hope in residents with the gift of this beautiful work of art to hang in our building.

DIGITAL CHAIR SCALE

\$870

Accurate weight is critical to caring for residents. Digital technology is fast and accurate, leading to an efficient and comfortable weighing experience.

DVD PLAYER

\$35

A DVD player for our Pub will provide entertainment for our residents, who enjoy relaxing and watching a good story. It's a great way to relieve stress and experience more of the world without ever having to leave their seats!
