Embrace BYOD with Sharpdesk® Mobile

Print. Scan. Share.

Sharpdesk Mobile helps corporations adopt **BYOD** across the organizations.

- Deliver a consistent printing & scanning experience for iOS®, Android™, and Windows® devices.
- No print driver is required. One application for many printers.
- Convenient document capture for mobile and Windows devices.
- Quick and easy document sharing with other applications.
- Ensure secure access to corporate network and resources.

What's New?

New Features of Sharpdesk Mobile for Windows:

- Supports Windows 8.1 / 8.1 RT
- Print web pages
- Scan from your mobile device
- User ID number authentication for simplified but secured user authentication
- More features & options - Improved print options and a support for document filing.

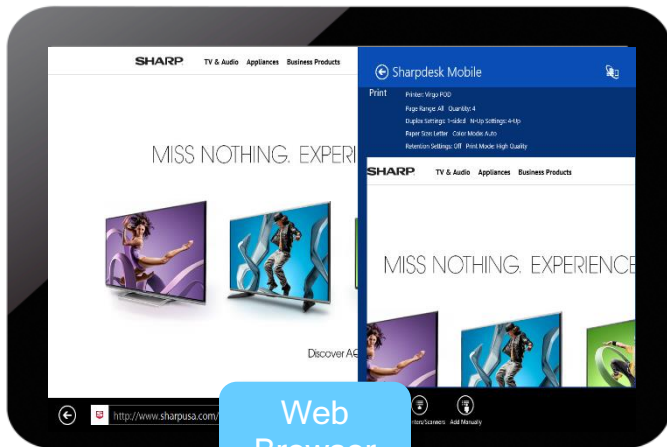

Key New Features (1)

Print web pages & e-mails

- Integrated printing from Internet Explorer® (IE) app
- Convenient e-mail printing from mail app

Key New Features (2)

Scan from your mobile devices

- Simplified scanning process. Scan settings and scan execution, all from your mobile device.

Key New Features (3)

User ID Authentication

- More options to enforce BYOD security
- Convenient & simplified “User ID Authentication”

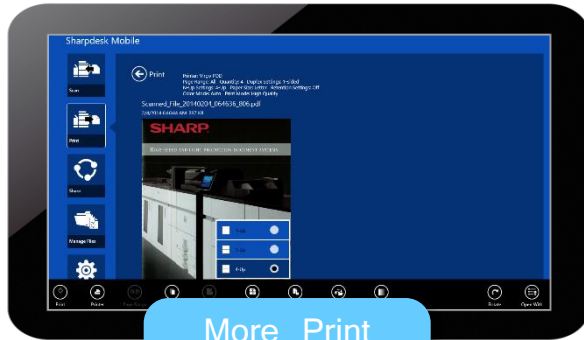

Key New Features (4)

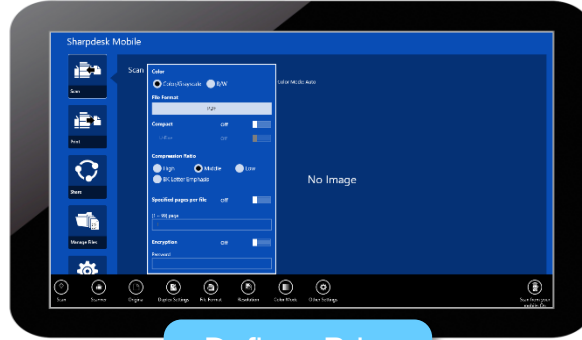

More Features and Options

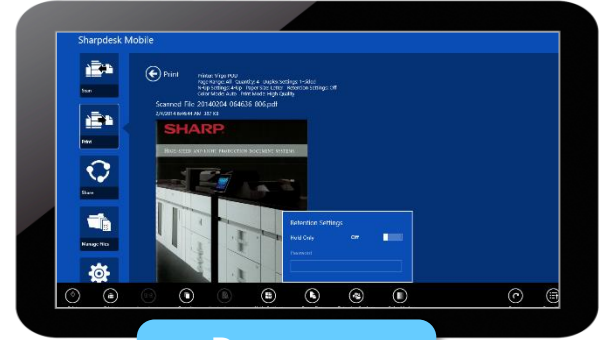

- Sharpdesk Mobile helps further extend mobile worker productivity through added functions like advanced printing, file search, document filing capabilities.
