

## **CIOReview Selects Relational Solutions for 100 Most Promising SAP Solution Providers 2015**

Annual list showcases the 100 Most Promising SAP Solution Providers 2015. Relational Solutions makes it to CIOReview's top SAP Solution Providers list for its expertise in large scale data warehouses and business intelligence solutions

**FREMONT, CA—April 03, 2015**—CIOReview (cioreview.com) has chosen Relational Solutions (relationalsolutions.com) for its 100 Most Promising SAP Solution Providers 2015. The positioning is based on evaluation of the company's offering for enterprise demand signal repositories and trade promotion analytics to the consumer goods industry.

The annual list of companies is selected by a panel of experts and members of CIOReview's editorial board to recognize and promote technology entrepreneurship. "Relational Solutions has been on our radar for some time for stirring a revolution in the SAP space, and we are happy to showcase them this year due to their continuing excellence in delivering top-notch SAP solutions," said Harvi Sachar, Publisher and Founder, CIOReview. "Relational Solutions' solutions continued to break new ground within the past year, benefiting its customers around the globe, and we're excited to have them featured on our top companies list."

"Relational Solutions is honored to be recognized by CIOReview's panel of experts and thought leaders," said Rob York, President, Relational Solutions.

### **About Relational Solutions**

Relational Solutions, was founded in 1996 by Janet Dorenkott and Rob York. Relational Solutions is a company delivering enterprise demand signal repositories and trade promotion analytics. The company's consultants are experts in delivering enterprise demand signal repositories to the consumer goods industry. Their background is in data warehousing and business intelligence which makes them uniquely qualified to deal with data cleansing and integration issues associated with point of sale (POS) data.
