“...Chef Steve Litke’s cooking springs from whatever is fresh at the market that day: salt roasted pear and Parmesan ravioli or double-cut pork chops graced with a honey and bee pollen glaze.” **BON APPETIT**

“Best getaways for becoming reacquainted with the endangered art of slowing down—ideally near a fireplace, and in super soft slippers.” **WALL STREET JOURNAL**

“For luxury, you can’t beat the rooms at the Farmhouse Inn and Restaurant, where cunning architecture creates the illusion of a cozy little farmhouse.... whose barn walls stand expansive rooms that boast every touch of a truly luxurious boutique hotel...” **CONDE NAST**
