Transfer of Ownership on Zedi Access

When transferring ownership of locations that are monitored by Zedi and viewed through Zedi Access, the following schedule of standard pricing will be applied based on number of locations being transferred. This pricing includes re-routing current data on the Zedi Access server to purchasing company's Zedi Access account, moving any historical data as requested, moving user accounts if needed and modifying invoicing for Zedi Total Access fees to purchasing company.

Price list for transfer of electronically monitored sites is based on number of locations transferred from selling company to purchasing company:

1-20 locations	\$450.00
21-50 locations	\$550.00
50-100 locations	\$650.00
Over 100 locations	\$700.00

Zedi Total Access fees will be invoiced to the purchasing company on the **next** invoice cycle following the **effective date of transfer** indicated on the accompanying form.

If you have any questions or concerns about the transfer of ownership process, please contact Customer Care at 1.866.732.6967.
