

BROKEN GLASS KEEPERS™

Manage Your Biohazards
With WHITNEY MEDICAL SOLUTIONS:
Real Solutions for Real Problems™

You can decrease the risk of injury from non-biohazardous broken glass and other sharp objects by collecting them securely in our Extra Wide Opening Broken Glass Keeper™.

SAFELY COLLECT NON-BIOHAZARDOUS BROKEN GLASS

You can safely dispose of uncontaminated broken glass in Terminal® brand Broken Glass Keepers™. The floor model (above) features a sturdy corrugated container lined with a clear, thick plastic bag, and marked with prominent broken glass symbols. The unique **Reclose-a/Remove-a-Lid™** has an extra wide opening to allow disposal of large items and can be reclosed or completely removed, your choice. An inner flap seals the lid when container is filled.
