NEW

Carrier 10 Charging Station™

Charge, store and secure up to 10 Chromebooks, Laptops, Tablets and iPads simultaneously.¹

Efficient charging. Charge any 10 devices simultaneously, including Chromebooks, Laptops and most Tablets, with or without most cases.¹

Bonus! Includes a Stainless Steel Device Rack for storing larger Laptops and Chromebooks.¹

Safe and secure. The combination of welded steel construction, the mounting-kit and a hardened steel padlock, protects your devices while they're not in use.

Wall or desk mounting. Transform any wall, desk or bench into a secure space for charging mobile devices.

New Large Baskets by PC Locs.

The Carrier 10 Charging Station is equipped with larger Baskets, allowing it to fit bigger devices. Now you can store and safely distribute 13" Chromebooks, Tablets or iPads.¹

Specifications and images are for illustration purposes only. Final product may differ and is subject to change without notice. iPad is a trademark of Apple Inc., registered in the U.S. and other countries. Chromebook is a trademark of Google Inc. ¹ May not fit all devices. Please check the dimensions of the device and the Carry Basket. Charging requires a power point. Contact us for more details. ² Visit www.pclocs.com.au for full warranty details.
