

Pico Technology | Automotive

Automotive diagnostic scopes and equipment

Our award-winning automotive oscilloscopes work with any bike, car or truck and make it easier — and faster — for you to find faults.

Saving you time. Saving you money.

When fault codes aren't enough, our wide range of vehicle diagnostics equipment will help save you time and money. Our award-winning automotive scopes work with any bike, car or truck and make it easier – and faster – for you to find faults.

The final piece of the puzzle

PicoScope is like no other scope, with features and benefits that make it the world's leading choice for vehicle manufacturers and aftermarket garages alike.

We offer unrivaled performance, value for money and the power of the PicoScope community right at your fingertips.
