## **NUTRASOURCE RANKED AS ONE OF CANADA'S FASTEST-GROWING COMPANIES FOR THE SIXTH CONSECUTIVE YEAR**

*Nutrasource takes top spot amongst professional services companies in all industries, according to the 27<sup>th</sup> annual PROFIT 500 ranking of Canada's Fastest-Growing Companies by Canadian Business and PROFIT*

**Guelph, Ontario, October 5, 2015**– Nutrasource Diagnostics Inc. (Nutrasource) is pleased to announce that it has been ranked by *Canadian Business* and PROFIT as one of Canada's Fastest-Growing Companies for the sixth consecutive year.

Ranked fourth in all of Ontario amongst professional services companies in all industries, Nutrasource made the 2015 PROFIT 500 list with five-year revenue growth of 184%. The company was ranked third among all companies in the pharmaceutical industry, including all manufacturers and contract research organizations, and was the fifth fastest-growing company in the natural health product sector, including food and supplement manufacturers. Among the companies listed in the Guelph region, Nutrasource was ranked as the second fastest-growing company.

This achievement reinforces Nutrasource's continued dedication to advancing the health products space through quality science, regulatory compliance and transparency. "We are honoured, once again, to be included in this prestigious list of companies from across Canada. This achievement is a reflection of our ongoing commitment to scientific and research excellence on behalf of the global health products industry, from food to pharmaceuticals." Rowe added: "We are passionate about the success of our client's products as we bridge the evidence and regulatory gaps from concept to claim."

Notably, Nutrasource was the only company on the list offering pharmaceutical or natural health product testing and regulatory consulting services as well as an in-house clinical trials facility. This collection of service offerings spanning the entire product development pathway is unique among service providers in the health products industry, providing clients with immeasurable value in terms of quality and integration.

A joint venture between Canada's premier business brands, the PROFIT 500 is published in the October issue of *Canadian Business* and online at PROFITguide.com.

*Nutrasource is a full service contract research organization that helps dietary supplement, food and pharmaceutical companies bring products to market – from concept to claim. With locations across North America, our experienced team assists Sponsors in launching new products, or repositioning existing ones, through strategic product development and regulatory and clinical trial consulting, management and execution. | [www.nutrasource.ca](http://www.nutrasource.ca)*
