

# 3pp<sup>®</sup> Toe Loops<sup>®</sup>

3pp<sup>®</sup> Toe Loops<sup>®</sup> provide cushioned relief for Hammertoes, Claw Toes, Overlapping Toes and Fractures. They are also great post-op splints and help retain toe position and reduce swelling. Toe Loops are the fastest, easiest, most comfortable alternative to taping, or hook and loop straps.

## Features

- Soft, cushioned Toe Loops secure two toes together to stabilize fractures, correct flexible hammertoes and realign overlapping or crooked toes.
- Protect callused toes and relieve pain caused by shoes rubbing on bent hammertoes.
- No hard edges or rough straps. Thin enough to wear in any shoe.
- Breathable, soft, foam-lined straps will not slip or roll.
- Washable and reusable. Latex-free.
