

WHY CHOOSE CROWDLY OVER A TYPICAL INFLUENCER PLATFORM

INFLUENCER MARKETING WORKS

when it's real people saying things they really mean.

But most brands aren't getting real value, because they're depending on 'Influencer Marketing Platforms' whose rented pool of 'influencers' are spammy, off point, and ignored.

CROWDLY WORKS

because we connect your brand with your own authentic brand advocates.

We don't rent you our 'influencers' on a per-tweet or per-campaign basis. With Crowdly's powerful platform, you can easily identify and activate your existing brand champions and own a permanent, direct channel to them for all your marketing initiatives.

**ADVOCACY ONLY WORKS WHEN IT'S AUTHENTIC.
