

“OPTIMIZE PATIENT FLOW  
& LIMITED SPACE”

CME has partnered with leading manufacturers to offer you high-quality, sustainable, state-of-the-art casework & furniture.

## Casework Services

We will work with your architect's and contractor's plans or we can design the space for you. We focus on helping you optimize patient flow and making the most of your limited space. Products to furnish the following are offered in a variety of materials and finishes that are both functional and aesthetically pleasing.

- Exam Rooms
- Operating Rooms
- Nursing Stations
- Classrooms / Labs
- Lobbies

## Office Furniture Design & Installation

CME offers a wide selection of furnishings and services for clients looking to furnish or renovate an office space. Our team will simplify and streamline your office design project. From working with your design team, to becoming your design team, we can provide you with the following services:

- Single Equipment Designs
- Full Service Office Designs
- Removal of Old Furnishings & Equipment
- Delivery and Set-Up
