Bosch Training Academy

Powered by successfactors

Step 1: Register for site access

- Web browse to the Bosch Training Academy: http://us.boschsecurity.com > Customer Service > Training Academy
- Register for access to the system: <u>http://support.boschsecurity.us/training/TrainingRegistration.php</u>
- It takes about 24 hours to be approved for access to the Training Academy. Why? Bosch keeps track of all of your training accomplishments and wants to make sure that the information you submitted is accurate.

Step 2: Browse for classes

o Once logged into the system, click on the "browse" link to the right as shown below:

• Next, refine your search based up class type or class topic as shown below:
