

Carolina is the mother of a daughter in the 2nd grade (Catherine) and a son in TK (Christopher). As the Passive Fundraising Coordinator, she oversees the PTO's efforts to collect Box Tops, Labels for Education, Perdue A+, Target for Schools, Coke Rewards, and any incentive that can get money or goods to enrich the school experience for our children. She began volunteering as a Room Parent when her daughter first came to Our Lady's Academy for Kindergarten 2 years ago. She grew up in Colombia, South America, attended a Catholic school very similar to OLA, so it gives her great joy to see her kids educated in such a nurturing environment. Carolina enjoys meeting new people, which is why she has helped staff every Open House for prospective parents. As part of the PTO, she'd like to extend an invitation to volunteer and help grow and maintain the quality of our events for the coming year. Together we can make a difference and have fun at it!
