#### GENERAL ORGANIZATIONAL DATA

## ORGANIZATION AND PURPOSE

Care Net was incorporated under the laws of the District of Columbia in July, 1986 to operate a nonstock, nonprofit organization. The Organization was originally incorporated as The Christian Action Council Education & Ministries Fund, Inc. D/B/A Care Net and officially changed its name to Care Net November 16, 1999.

Care Net provides training, support, professional assistance, materials, and leadership to independent affiliated crisis pregnancy centers and others involved in pro-life work. To achieve its purpose, Care Net focuses its work in a manner consistent with the Biblical and historical teachings of the Christian community concerning the sanctity of human life at all stages of its existence and development.

Care Net was granted exemption in July, 1987 from Federal income tax under Section 501(c)(3) of the Internal Revenue Code.

#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Care Net Lansdowne, Virginia

We have audited the accompanying financial statements of Care Net (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Care Net as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Care Net's 2014 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 13, 2014. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2014, is consistent, in all material respects, with the audited financial statements from which it has been derived.

## NOTES TO FINANCIAL STATEMENTS

# Note 1. Nature of Activities and Significant Accounting Policies

#### **Nature of Activities**

Care Net was organized to provide training, support, professional assistance, material, & leadership to independent affiliated crisis pregnancy centers and others involved in pro-life work. To achieve its purpose, Care Net focuses its work in a manner consistent with the Biblical and historical teachings of the Christian community concerning the sanctity of human life at all stages of its existence and development.

# **Significant Accounting Policies**

The financial statements of Care Net have been prepared in accordance with policies followed by nonprofit organizations. The significant accounting policies that follow are described below to enhance the usefulness of the financial statements to the reader.

*Basis of Accounting:* The financial statements of Care Net have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Basis of Presentation: Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) as defined in the FASB Accounting Standards Codification (ASC) Topic 958, Not-For-Profit Entities. Under ASC Topic 958, the Organization is required to report information regarding its financial position and activities according to three classes of net assets based on the absence or existence and type of donor-imposed restrictions: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

*Property, Equipment and Depreciation:* Expenditures for the acquisition of property and equipment of \$500 or more is capitalized at cost. Depreciation of office furniture and equipment is computed on a straight-line method over its estimated useful life of 3-5 years. Depreciation of leasehold improvements is computed on a straight-line method over the life of the lease. Costs of normal repairs and maintenance are expensed as incurred.

Allowance for Uncollectible Accounts Receivable: The reserve method is used to provide for possible uncollectible accounts receivable. The reserve is based upon management's knowledge and review of the outstanding items. Management has determined all outstanding accounts are collectible at June 30, 2015.

Income Taxes: The Organization is exempt from Federal income taxes under Internal Revenue Code Section 501(c)(3) and therefore, has made no provision for Federal income taxes. In addition, the Organization has no unrelated business taxable income. The Organization's management has adopted the guidance under ASC Topic 740, Accounting for Uncertainty in Income Taxes, and has evaluated the Organization's tax positions and concluded that the Organization has taken no uncertain tax provisions that would require adjustment to, or disclosure in, the financial statements to comply with the provisions of the guidance. Income tax reporting years open for IRS audit include years ended 2012, 2013, 2014 and 2015.

*Promises to Give:* Unconditional promises to give are recognized as revenues on a discounted basis in the period made. Conditional promises to give are recognized when the conditions on which they depend are substantially met and the promises become unconditional. Short duration promises to give are not discounted due to the short period of the unfulfilled donation.

## NOTES TO FINANCIAL STATEMENTS

# Note 1. Nature of Activities and Significant Accounting Policies (Continued)

Restricted and Unrestricted Contributions: Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. When a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted and reported in the statements of activities as net assets released.

Cash and Cash Equivalents: For purposes of reporting cash flows, the Organization considers all cash on demand deposits, money market deposits, cash management accounts, and certificates of deposit with an original maturity of three months or less to be cash equivalents.

*Estimates:* The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fund Accounting: The accounts of Care Net are maintained in accordance with the principles of fund accounting. Under fund accounting, resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups.

*Revenue Recognition:* Conference fees, Affiliation fees, and Training fees are reported as income over the period the fees relate. Funds received in advance of participation and for future periods are reported as deferred income.

Donated Noncash Assets: Contributions of donated noncash assets are recorded at their fair values in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

*Inventory:* Inventory is stated at the lower of cost or market. Cost is determined using the first-in, first-out method of valuation.

Functional Allocation of Expense: The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Advertising Costs: Advertising costs are expensed as incurred.

## Note 2. Cash Deposits and Concentration of Credit Risks
