

for Sage 50 and Sage 200 customers and users

Theme: envisage this... smarter automation, better information; get more from your Sage solution

8.45am Registration

9.00 – 9.05 Kick Off

Smarter Automation

9.10 – 9.25 Credit Control, Document Distribution, Document Management (Draycir)

Zoë from Draycir is passionate about helping customers achieve lots of time and cost efficiencies in their businesses with software that is so simple-to-use. These three award winning solutions will really change how you do things, for the better.

9.30 – 9.45 Web Authorisation (WAP) including: Time & Expenses, Purchase Requisitions, Purchase Invoice Approvals (Sicon)

Sarah is the expert when it comes to helping businesses turn manual time-consuming tasks such as timesheets, expenses and approving purchase orders and invoices into slick, smooth and seamless processes. This is a great presentation and will give you lots of food for thought, even if you are not necessarily using timesheets or expenses.

9.50 – 10.00 Fieldmotion in Motion

If you're wondering how to get away from paper based job sheets, then help is at hand. Eddie will be talking to us about how the Field Motion solution has benefited lots of other field service based organisations across a range of industries.

Helping your organisation kick ass.....#kickasswednesday

10.05 – 10.15

easydd, direct debit collection solution (Envisage Cloud)

Our very own David Burke (Technical Director) is on hand to share with us the benefits of using a direct debit collection system such as easydd. Suitable for all types of businesses, this really is very easy and will undoubtedly help you improve your cash flow.

10.15 – 10.25

Panel discussion on technology

Envisage Cloud (Ray Ryan, Peter Bergin)

Sage Ireland (Vincent Fitzpatrick, Peter Day, Sarah-Jane McGurrell)

Zinon Cloud, IT Hosting Company (Kenneth Dempsey)

Discussion led by Ray Ryan with his panel. Here, the panel will address technology queries (as per the event registration form). Visitors will have the opportunity to ask any questions they like. Kenneth from Zinon has kindly joined our panel of experts and will have a stand in the exhibition area (East Wing), so you can chat with him more about any IT hosting queries you may have.

13.00 – 13.30

Grab a bite to eat with us in the “East Wing” and see our mini-exhibition

13.30 – 14.00

Take a quick tour of the stadium

Ah go on, you're here now. Why not take the opportunity to see the stadium properly from the press conference room, dressing rooms (empty!), player's tunnel, dugouts and more. Pretty impressive! There will be a surprise guest joining you on the tour to share some “inside information”!
