

YAKABOD

GRAPHIC DESIGNER/FRONT-END DEVELOPER

Job Title: Graphic Designer/Front-End Developer

Location: Yakabod Headquarters - Frederick, MD 21701

Clearance: None, but must be willing to submit for TS/SCI with Full Scope Poly

Job Type: Full-Time, Entry Level

While primarily a design position, this opening also requires some front-end development skills. This individual will be a part of the User Experience team and work with user experience analysts, customer advocates, and the App Factory Development Team to create UX solutions and bring them from development to delivery.

This position plays an integral role in the delivery of solutions in a variety of creative areas such as designing wireframes, client comps, web apps, and more. The ideal candidate will be able to accurately identify specific issues in the user experience and provide both design recommendations and codified solutions to influence the product UI.

We're looking for impact players that resonate with our core values of Grace, Integrity, Excellence, Passion, and Consistency, which are the main components of our work culture.

Yakabod offers competitive salaries along with employer paid benefits such as: health, dental life, short term disability, long term disability, 401k with employer match, profit sharing, Employee Stock options, flex-time, personal time off, company paid holidays, free downtown garage parking, \$1000 annual personal allowance, tuition reimbursement, adoption reimbursement, charitable contributions, and more!

Must Demonstrate Knowledge of:

- HTML, CSS, JavaScript
- CSS Frameworks such as jQuery, Bootstrap
- Strong Visual Design Skills

Ideal Candidates will also have:

- Up to four years experience
- Bachelor's Degree

Interested candidates should send a resume and cover letter to careers@yakabod.com
