

YAKABOD

WEB APPLICATION DEVELOPER

Job Title: Web Application Developer

Location: Yakabod Headquarters - Frederick, MD 21701

Clearance: TS/SCI with Full Scope Poly Desirable *U.S. Citizenship Required

Job Type: Full-Time

Yakabod is seeking Web Application Developers to join our Application Factory team. All skill levels—with two years proven experience, from recent graduate to senior/expert level developer will be considered. A bit of everything will be required—from integrating and supporting critical customer applications to creating new components in our core technology. You'll be expected to reliably 'get things done'. You must be a self-motivated, entrepreneurial, problem solver who loves to build software that 'works the way it ought to'. We're looking for impact players that resonate with our core values and our culture.

We're looking for impact players that resonate with our core values of Grace, Integrity, Excellence, Passion, and Consistency, which are the main components of our work culture.

Yakabod offers competitive salaries along with employer paid benefits such as: health, dental life, short term disability, long term disability, 401k with employer match, profit sharing, Employee Stock options, flex-time, personal time off, company paid holidays, paid downtown garage parking, \$1000 annual personal allowance, tuition reimbursement, adoption reimbursement, charitable contributions, and more!

Key Requirements:

- U.S. Citizenship and the willingness to submit to a TS/SCI clearance and poly-graph process
- Proven experience—at least two years of software development experience using PHP, MySQL, JavaScript, HTML, XML, AJAX, and other web application environments
- Ability to perform object-oriented design based on use cases/specifications
- Passion to execute disciplined development practices over a full-life-cycle utilizing agile/scrum techniques
- Skills required to deploy, support, and maintain customer applications, including networks, Linux servers, development tools, and custom applications

Ideal Candidates will also have:

- Understanding of knowledge-based dynamic web applications
- Understanding of the Intelligence Community (IC) mission

Interested candidates should send a resume and cover letter to careers@yakabod.com

YAKABOD IS AN EQUAL OPPORTUNITY EMPLOYER

The Yakabox knowledge sharing system is used worldwide by professionals who are serious about security to capture, create and share stuff that matters (without plowing through stuff that doesn't).

Founded in 2001, Yakabod is headquartered in historic Frederick MD, just outside the Capitol beltway. Visit www.yakabod.com, email careers@yakabod.com, or call 301.662.4554.
