

# Our History

Westminster Village is a community of Presbyterian Senior Living. In 1972 PSL purchased the Central Park Nursing Home in Allentown, renaming it Lehigh Manor. In 1983, the Board changed the name to Westminster Village Health Center and the entire complex to Westminster Village at Allentown.

Presbyterian Senior Living was founded in 1927 as a not-for-profit organization providing housing and health care to older adults. Since its beginning in 1927, caring for nine elderly ladies in a farm house in Newville, Pennsylvania, it has grown to providing care for hundreds of residents in 30 different locations throughout the mid-Atlantic region. It is governed by a volunteer Board of Trustees. PSL, located in Dillsburg, PA, has spent more than 88 years building communities that make residents feel at home. One of the hallmarks of this organization is that throughout its history not a single resident has ever been asked to leave its facilities due to their inability to pay for their cost of care through no fault of their own. Last year, Presbyterian Senior Living provided \$29.8 million in benevolent support to residents; over \$4.8 million was provided at Westminster Village at Allentown.

## Our Mission

The mission of Presbyterian Senior Living is to offer Christian understanding, compassion and a sense of belonging to promote wholeness of body, mind and spirit.
