Welcome to the new PCI Rapid Comply®- now Trustwave enabled!

Getting started is simple! Completing the following steps will ensure you are taking full advantage of all the TransArmor® Solution benefits.

- STEP 1:** Validate your Payment Card Industry (PCI) Compliance by completing the Self-Assessment questionnaire
- STEP 2:** Download the POS Software Monitor to monitor and help protect your POS system
- STEP 3:** Confirm that your point-of-sale (POS) equipment has TransArmor Data Protection functionality by looking for the lock symbol on the POS screen when you process a transaction.

If you do not see the lock symbol, call us at 866-359-0978 to enable the functionality or to determine whether updated equipment is needed to take advantage of this feature.

The screenshot shows the PCI Rapid Comply web application interface. The navigation bar includes 'First Data', 'PCI', 'messages', and 'store' icons. The main content area is divided into several sections:

- PCI Certification Status**: A section with a 'Start' button.
- PCI Self-Assessment**: A section with a 'Start' button and a green checkmark.
- PCI Status**: A section with a green checkmark and the word 'pass'.
- TransArmor@ Solution**: A section with a message: 'Your account currently does not include the services shown below. Please call us today at 866-359-0978 to add these services and more fully protect your business from the risks and potentially significant costs of a data breach.' Below this message is a table with four rows: 'POS Software Monitor', 'POS Hardware Monitor', 'Data Protection', and 'Liability Waiver'. Each row has a 'Description' column and a 'Not Available' column, with a 'Setup' button to the right of the table.

A blue arrow points from the text 'Click Start.' to the 'Start' button in the 'PCI Self-Assessment' section.

Click Start.
