## Quotes to Remember

*"How did it get so late so soon? It's night before it's afternoon. December is here before it's June. My goodness how the time has flown. How did it get so late so soon?"*

-Dr. Seuss

*"Rosa Parks was a woman of strength, conviction, and morality. Her action on December 1, 1955, to defy the law made her a leading figure in our nation's civil rights history."*

-John Shimkus

*"Remember this December, that love weighs more than gold!"*

-Josephine Dodge

## 2016 Annual Holiday Bazaar and Chili Cook-off

On November 19, the GSC Life Skills Development and Day Service programs hosted the annual Holiday Bazaar! A chili cook-off was included in the festivities this year, and all six Day Service centers prepared a chili dish for our judges to rate. The results will be in the January newsletter, so stay tuned! Our amazing participants and wonderful staff did an awesome job. Thank you!

## Holiday Closure

Please note that we are closed December 23 and December 26 for the Christmas holiday!

## Poetry Club

Have the real Santa Claus come over and have him deliver presents  
And give us even more fun around here  
With live polka music and all kinds of rock n' roll  
Give us new pocket radios & fill our stockings

## Creative Writing Group

It's starting to become that time of year again; December 25<sup>th</sup> is Christmas! Santa Claus is coming on his sleigh, with Rudolph and the rest of the reindeer navigating. For if we are good, we will get real nice presents. If we are bad, we might just receive coal! In addition to getting presents, we love to wrap Christmas gifts for family and friends. If there is indeed a "white" Christmas, we can make snow angels, and make snowmen! If there is no snow, we can go play in the sand! Christmas is the time when we can enjoy gingerbread cookies and almond crescents alike. Ho ho ho Merry Christmas!

## Kenosha History Center

The Kenosha History Center outing was a huge success! The participants viewed many intriguing items, including an antique fire truck where the participants could ring the fire bell, and a toy exhibit which brought back childhood memories. Fun was had by all and we cannot wait to send another group in the near future.

## Artwork Created by Jeannette S.

Jeannette chose to draw a snowman standing in sand. Perhaps the movie, Frozen was her inspiration!
