**December Staffings**

The following participant has a scheduled annual staffing this month. If you are not able to attend please contact Tina.

- Justin L. – Tuesday, December 6 at 1:30 p.m.

**Pajama Day**

Who doesn't enjoy lounging in their PJs all day long? Well, on December 21, you don't have to get changed; we are having a pajama day! Please make sure if your participant wants to join in on the cozy, comfy fun that they still wear appropriate foot attire (no slippers or just stocking feet). A reminder will be sent home on December 20 in lunch boxes.

**Christmas Party**

We will be celebrating the holiday on Friday, December 16 with treats, music, caroling, games and gifts. Of course, the day would not be complete without a visit from Santa and Mrs. Claus. If you would like to attend our Christmas party please let us know so we can plan accordingly. The party will start at 10:00 a.m. and run until noon.

**Severe Weather Closing**

As in years past, Goodwill will monitor the weather and make a closing call if it is deemed unsafe for participants to travel to and from day program. All closings will be announced on local television and radio stations. As always, please dress your participant according to the weather conditions and be flexible with pick up and drop off times as road conditions are not always favorable and can change within minutes.

**Building Safety**

Many of you may have already noticed that we have made some security changes in our building. Our main objective always is to keep participants, staff and visitors safe while in our facility. Additional security cameras have been installed along with secure card access doors. You will no longer be able to enter our program areas without Goodwill staff assistance. There will be means by which you are able to announce your arrival and instructions on how to do so will be posted at the front counter. Please also know that we no longer have an Administrative Assistant working at the front desk; Ethel retired from Goodwill in mid-November.
