# 2016 SUMMERTIME SOCIALS

**August 22-25**

## **Objectives**

Summertime Socials helps kids learn how to interact with peers while having fun with sensory and speech activities combined. The kids in the group have a variety of diagnoses, such as expressive and/or receptive language problems, sensory processing difficulties and fine motor deficits. The goal is to teach the kids how to communicate and interact with peers in a positive way.

## **Scheduling**

Each child is screened before being placed into a group. The groups are formed based on each child's communication skills, social ability and age.

Sessions are co-led by a Speech Therapist and an Occupational Therapist.

The group meets for four 1-hour sessions, Monday-Thursday at the Pineville office.

## **Cost**

The cost is \$216.00. Payment is due at the time of registration.
