

Biography

Department of the Army

Joshua P. Call

**Supv. Logistics Management Specialist
U.S. Army Materiel Command
Redstone Arsenal, Alabama**

Mr. Call serves as the Chief of the Supply Chain Management Division, Army Materiel Command (AMC), overseeing numerous national logistics business processes and the supporting Information Technology enablers. He also serves as the lead for the Logistics Modernization Program (LMP) deployments and acquisition planning since May of 2008. He works closely with the Product Management Office, Army G-4, Army Enterprise Resource Planning systems, and other major stakeholders. He also supports business process improvement, business process standardization, and Information Technology portfolio reduction efforts. Mr. Call joined the AMC in September 2003 as a member of the AMC Fellows Program, working through positions of increasing responsibility in areas of logistics support planning, supply chain operations, Information Technology management, and project management. Mr. Call earned a Master of Business Administration in 2004 from Texas A&M-Texarkana and a Bachelor of Science in Business Management in 2003 from Brigham Young University.
