

BIKE RACKS

LET'S GO AERO
Gear Management Solutions™

BIKEWING™

- Adjustable wheel cradles for all bikes from children's to tandems
- Easily removable wings (support arms) for trunk access and compact storage
- Foam bumpers and bike tension system eliminate bike sway and prevents bike-to-bike contact
- No Motion™ lockable hitch pin included for quiet, stable performance
- Fits 2" hitches (four-bike rack models); universal 1.25" and 2" fit (two-bike model)

Versatile • Adjustable • Convenient • Lightweight • Secure

Wheel mount bike racks fit ALL bike frame styles and sizes in ultra-lightweight designs that are easy to install, use, and store.
