

ENCLOSED CARGO CARRIERS

BICYCLES, LUGGAGE, GENERATORS AND MORE - WE CARRY ADVENTURE

GEARDECK™ 17

A multi-function carrier for travel, recreation, and commercial trade

For hauling both travel cargo and utility equipment including generators, the GearDeck® 17 is ideal for mid-sized cross over vehicles and is popular on RV travel trailers for portable power. Utilizing our GMC Professional Grade award-winning TwinTube® platform, this system is strong, balanced, and slides out for rear vehicle access.

- 17 cubic feet storage capacity
- Pod Dimensions (outside): 48"L x 25"D x 27"H; 46.5"L x 24"D x 25"H inside cube
- 75 lbs. empty weight; rated for 300 lbs. of cargo
- Dual tube, slide out frame is strong, balanced, and easy to telescope for rear trunk access; 6 inch rise for great ground clearance
- Tough, high density polyethylene capsule, padlock location provided
- Silent Hitch Pins® included for quiet, motionless hitch connection
- Four D-Ring tie downs on tray with drain plug
- For 2" hitch receivers with Class II minimum tow rating

Part No. HDK796 (Black) & HDK802 (White)

GEARSPACE® 34

GearSpace® 34 is fully-featured with market leading capacity for large cargo

Tough and buff, this 34 cubic foot enclosed carrier holds all kinds of cargo, ranging from luggage to up to two bicycles. Built upon our GMC award-winning TwinTube® slide out platform, this world-class automotive grade carrier provides exceptional strength and convenient rear vehicle trunk access.

- 34 cubic feet storage capacity
- Pod Dimensions (outside): 68"L x 33"D x 40"H; 62"L x 28"D x 40"H interior
- 140 lbs. empty weight; rated for 300 lbs. of cargo
- Dual tube, slide out frame is strong, balanced, and easy to telescope for rear trunk access; 6 inch rise for great ground clearance
- Tough, high density polyethylene capsule, secure with capsule lock
- Complete LED stop-turn tail lights and license plate illumination, uses four-flat plug
- Silent Hitch Pins® included for quiet, motionless hitch connection.
